HOW, WHAT, AND WHEN?

HOW TO PREP AND WHAT TO BRING!

- ★ Have your hair cut or colored at least 5 days before – this gives it time to settle in to the style.
- ★ Try white strips to brighten your smile and nicely groomed brows always make your eyes shine.
- ★ Get your 8 hours of zzz's and 8 glasses of H2O for great skin.
- ★ Bring on the goods – hats, fun jewelry, boots, belts, scarves, sports gear. Whatever defines you.
- ★ You've got some style – we want to show it!
- ★ Bring in your favorite jeans, shorts, tanks, tee's, and hoodies.
- ★ Got a great prom dress or a slick suit? Bring that too!
- ★ Have textures and layers with choices in color.
- ★ Even keeping it simple can say so much about your style.
- ★ Remember to bring several choices of undergarments for your clothing needs.
- ★ Bring your ipod & be ready to have fun!

WHEN DO I VIEW AND ORDER?

- ★ Your portraits will be ready to view 10-12 days after your Session.
This will be the day that you will be placing your order.
- ★ An appointment is required for your viewing and presentation time.
We allow one 2 hr presentation per client
- ★ To make choosing easier, you should have a list of who you are going to need portraits for and we will go over all of our products with you.
- ★ At this time, the total amount is due to process your order.
In just 6-8 weeks after your payment has been made, your portraits will be finished.
- ★ If you need to reschedule your presentation, a 3 day notice is required.
A \$50 rescheduling fee will apply to an extra or missed presentation.
